## MatterPort

### Embed Instructions

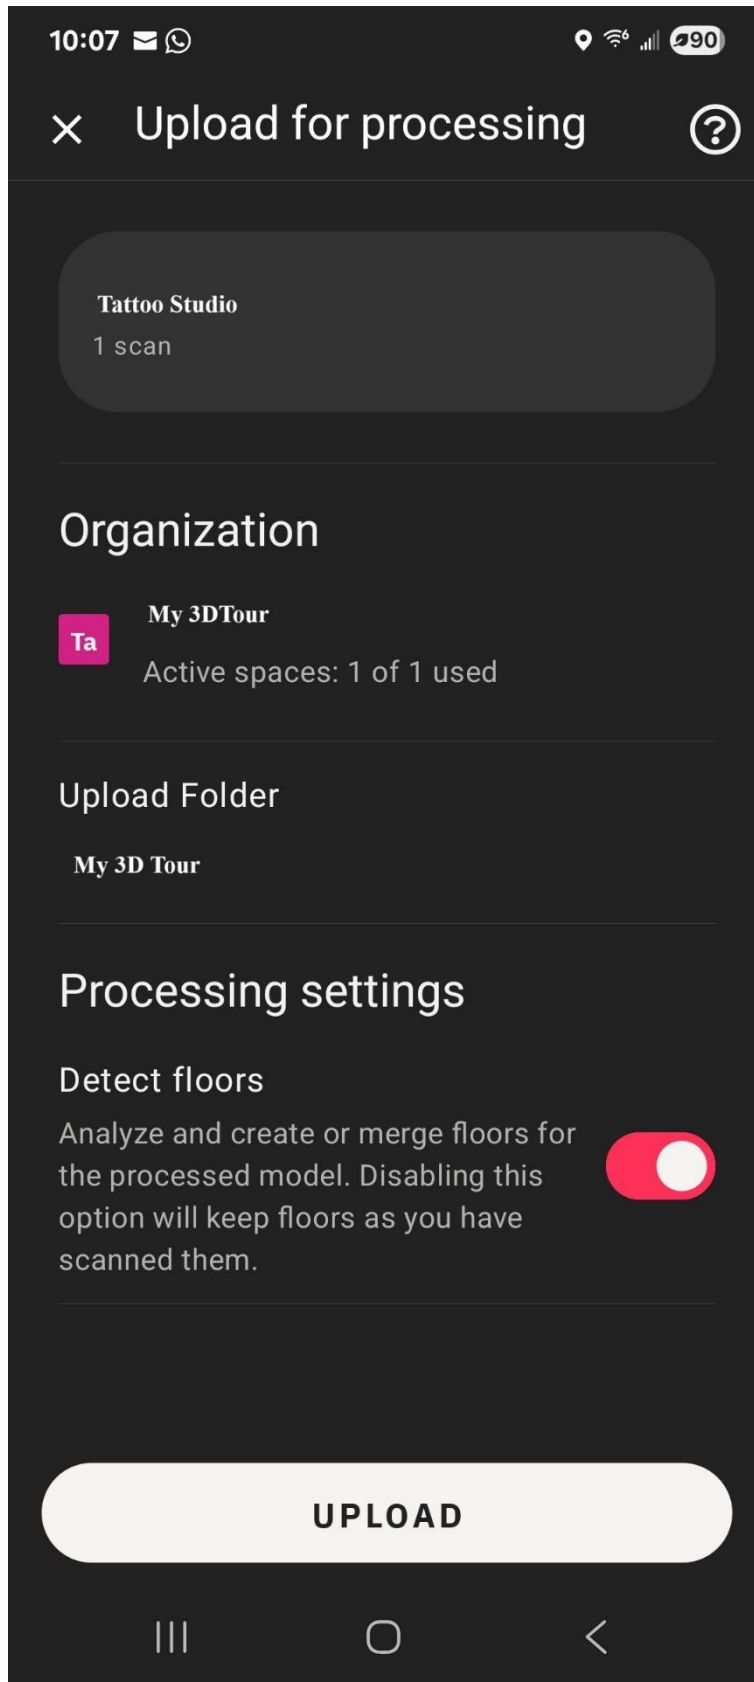

Step 1: Download MatterPort on the App store + Create a Free Account (write down the email and your password)

Step 2: Create a New job and scan your studio (just hold your camera steady and move slowly in a circle)

Step 3: After your scan is complete it will look something like this – Press the UPLOAD button (top right)

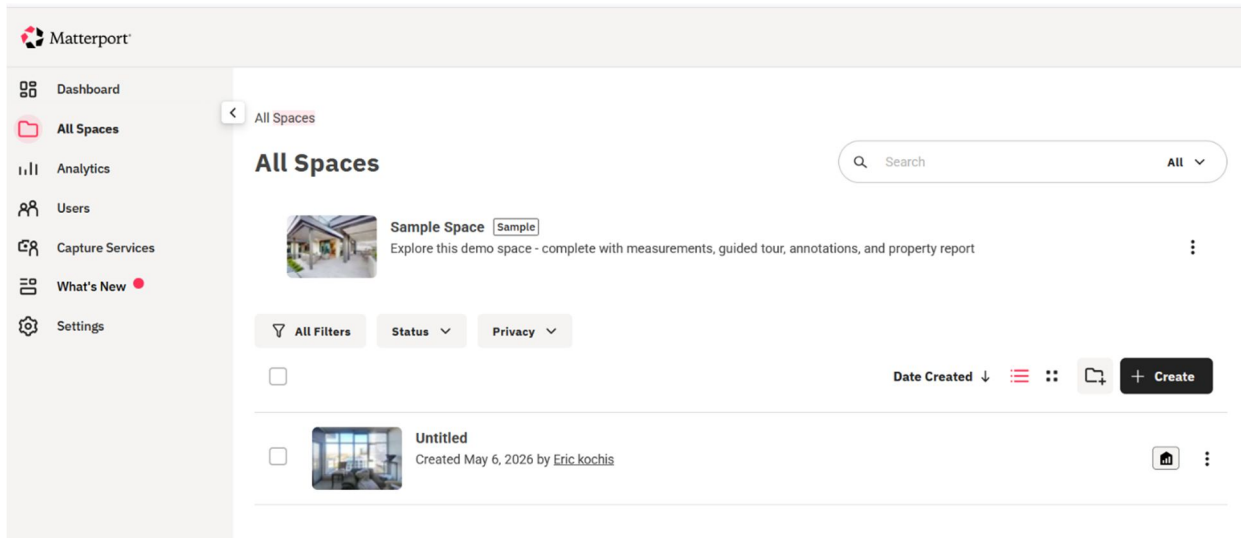

Step 4: Your screen will look like this – Now press UPLOAD at the bottom of the page

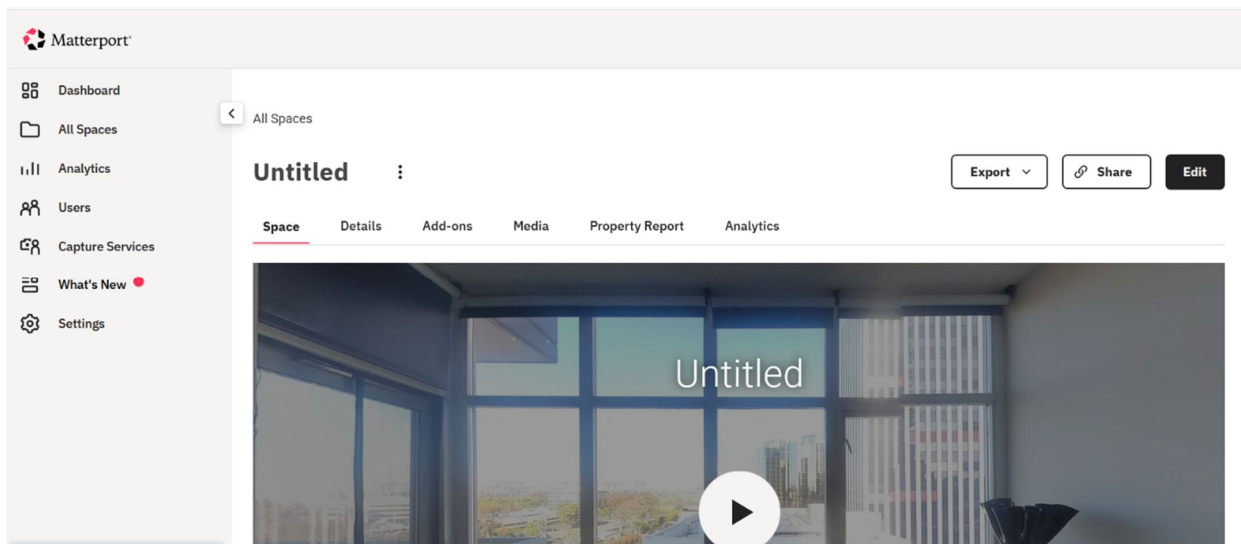

Step 5: For some reason the mobile app does NOT have the ability to get the code needed.

- A. Go to your web browser to use the Web Version of Matterport
- B. <https://authn.matterport.com>
- C. Log in with the same credentials as the mobile app

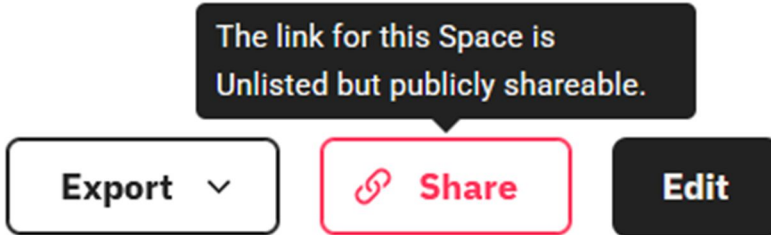

Step 6: After the tour is created you will see the following page Under “All Spaces”

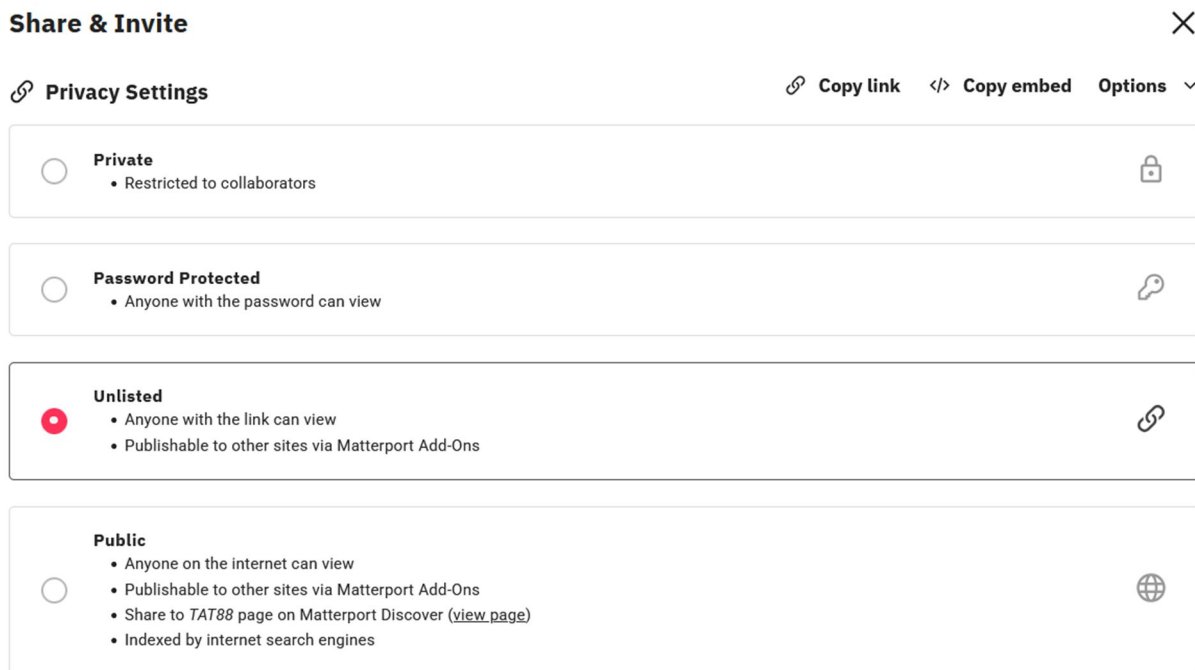

Step 7: Click on the Tour you just created and you will see this screen

Step 8: You will see this at the top right of your screen – Press the Share Button

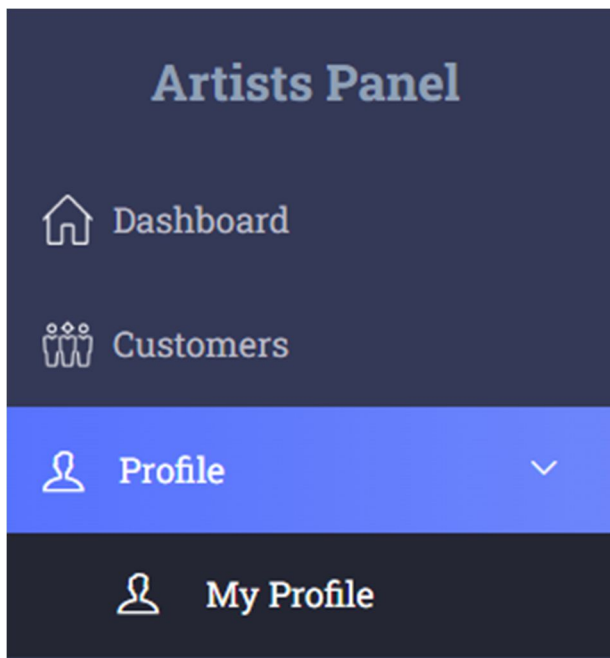

Step 9: Now you will see this screen appear

Step 10: At the top right click on “Copy Embed”

Step 11: Go to your Artist Panel > Profile > My Profile

Step 12: Look for the following Box and Paste (CTRL+V) the code you just copied into this box. Press the **SUBMIT** button at the bottom to save this update
